STAFFING UPDATE
Mrs Amy Gavin has been appointed as a permanent School Administration Officer at Molong Central School. Mrs Gavin has been working in the main office for the past two years, undertaking a number of roles. Recently, Mrs Gavin took over duties from Mrs Dive, who retired last year. She has been an extremely valuable staff member and she now joins, permanently, a great SASS team whose work is so much appreciated by all. Well done, Mrs Gavin!

Doak, Kevin Watts and Margaret Carroll. These mentors worked with these Year 10 students – Erin Abrahams, Hannah Hanson, Victoria Miller, Mitchell Cotter, Hayden Watts and Lachlan McCann. Thanks must go to Ms Katrina Brown who continues to co-ordinate Plan-It Youth, so well. Molong Central School is the only school in the area which has continued this program since the government funding ceased two years ago.

Australia Mobile Dental Care
The Dental Van was positioned at our school for 5 days and in that time the dentists attended to over 163 Primary students and 100 Secondary students.
I would like to thank Mrs Ball and Mrs Gavin for the “behind the scene” co-ordination of the children accessing the dentists and Mrs Donna Thomas who cared for the students as they were taken to and from the dental van.

PLAN-IT YOUTH
On Tuesday 27th May, a celebratory afternoon tea was held to acknowledge the end of the Plan-It Youth session for Semester One 2014. Plan-It Youth is a mentoring program, which involves the mentors meeting each week with students (on this occasion, it was Year 10 students).
It is an excellent program and has been put into place at Molong Central School since 2006. The aim of the program is for mentors to give guidance to the students, increase their motivation and discuss their future career. Thank you to the following community mentors – Sheena Clark, Ann Dib, Stacey Lo Faro, Jim Doak, Kevin Watts, Mitchell Cotter, Hannah Hanson, Hayden Watts, Erin Abrahams & Mrs Janis Glasson
Front LtoR – Ann Dib, Victoria Miller & Stacey Lo Faro (Absent Jim Doak & Sheena Clark)

Thank you to our School Learning Support Officers
Our School Learning Support Officers are dedicated, caring and student focussed staff members who work so well with Integration students in the classrooms. They were all involved in our recent integration meetings and play a great part in the wellbeing of our students. Thank you to Ruth Dugmore, Deb Dwyer, Judith Dodds, Cathy Paterson, Donna Thomas and Mary-Ellen Betts for their work with the special needs students in assisting their learning.

ANOTHER WIN FOR PATERSON HOUSE!!

Molong Central School held the annual Secondary Athletics Carnival last Friday 23rd May. With strong attendance levels, the day was a huge success. Many students were dressed in some colourful outfits in support of their houses with Year 12 arriving in circus themed attire!

The day started off quickly with the house shuttle run (involving all students) as a warm-up. All students participated with enthusiasm, with an equal amount of points being awarded to each house. As is often the case, the point score for each house remained steady throughout the first half of the day. As the carnival progressed, Paterson House managed to establish a clear lead which was maintained until the end of the day. Congratulations to Paterson House, who achieved a comfortable win. The race for house points was extremely close between the remaining three houses, with less than 20 points separating them. Well done to all students who participated in their respective events throughout the day. Particular congratulations must go to all the students who broke or equalled records. All in all, eight records were re-written! (See below for results). All should be extremely proud of their efforts!

Thank you to all those people who assisted in the smooth running of the day, that included the canteen ladies for providing the students with food and drinks throughout the day, Year 12 for a delicious BBQ lunch, and a huge thank you to Mr Doug Watson (and his apprentices) for their tireless efforts in marking out the grounds & transporting equipment and of course the M.C.S. staff for their ongoing support.

Miss K. Brown - PD/H/PE Teacher

On Thursday 9th May, Year 12 and some Year 11 and 10 students had the opportunity to attend the annual FACTS (Facts About Careers and Tertiary Study) Day. This is a Career and University Information Day.

Students were able to explore career and employment opportunities at the annual event at Charles Sturt University. The day is organised by the Central West Careers Advisers Association. Approximately 1000 Year 12 students from schools in Bathurst, Lithgow, Kandos, Oberon, Blayney, Cowra, Canowindra, Orange and Molong Central School were able to obtain information from approximately 120 representatives from more than 60 career and employer organisations, including Universities, private providers, TAFE, Apprenticeship Centers, Centrelink, Police, Defence Force and other government agencies.

This day offered our students the opportunity to connect with a range of educational providers, as well as hear a presentation by keynote speaker Mr Bruce Buchanan, from the Orange Business Enterprise Centre, who highlighted issues facing school leavers whether they are beginning tertiary studies or seeking employment.

Many students came away with a greater insight into their career options. They were able to find out a lot of information about courses, subjects required and useful tips and details regarding applications and ways to enhance their success in the career market.

I must thank all the students for their outstanding behavior and attitude throughout the day.

Mr Taylor - Careers Adviser

Girls Softball Final 8 Gala Day

Last Wednesday the MCS girls Softball team travelled to Orange to compete in the Western Region Final 8 Gala Day. The girls qualified for the day last term and had been training hard throughout this term in readiness for the matches they would need to play. The first match was against Cudgegong Valley from Mudgee. Not really knowing what to expect, except that they had to play their best softball, the girls went out guns blazing! They wrapped up that match with a convincing 23-4 win. This led them to the winner verse winner match of their pool which meant they had to play……..Bletchington……oh no! In this game we were on the receiving end of a great softball lesson.

Bletchington are a very skilled team and didn’t hold back. Whilst the girls were able to apply some pressure, they went down with a similar score line to what they had won by in their first match. So that loss meant they played off for 3rd or fourth. Calare were the opposition and the girls were determined to get another win. The first innings was fantastic. We were up 17-4 so we declared only to find we had contracted the fumbles and panic attacks in Calare’s second batting innings. At this stage, the time and the girls were their own worst enemy. With some very tense parents and a very nervous coach, time was finally called leaving us with a 24-17 win margin! That win gave the girls 3rd place in Western Region! Well done girls.

Many thanks to Glenn Meehan for scoring and helping out with game plans. Thanks also to our cheer squad parents who encouraged and cheered the girls on all day.

Verse Speaking Eisteddfod

On Tuesday the 20th May, many of our infants students attended the Cowra Eisteddfod to compete in the Stage 1 Verse Speaking Section. The teachers and students worked hard at preparing two pieces of poetry to perform. The students looked stunning in their full school uniforms and were a wonderful representation of Molong Central School.

Our section ranged from Kindergarten to Year 2 and all performed beautifully. Year 2 Topaz lead by Miss Pratten, proudly took away 2nd Place and won $50 for their efforts! The point scores were incredibly close, reflecting the high quality of all our performances. Congratulations to those students and teachers!

Too sick for school?

As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice.

School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser www.bit.ly/IHytn2E

Hi Everyone!

Well it is now June & time to enter your child’s reading minutes on the Scholastic website. If you type in Scholastic Australia or use the URL: [http://www.scholastic.com.au/](http://www.scholastic.com.au/) you will be at the Scholastic Home page. There is a series of slides at the top of the page where National Family Reading Month will appear. If you click on it, you will be taken to an ‘Entry Form’ where you will be able to enter your child and the minutes they have read in May. If you experience any difficulties please send your child’s reading log to the Library and I will enter your child into the competition.

Congratulations this week go to **Hannah Leisk (Year 5)** & **Isaac Leisk (Year 6)** who have successfully completed the Premier’s Reading Challenge for 2014. There are a few students who are very close to finishing. Don’t forget to keep recording your book choices on the PRC website. If any students need their borrowing histories could you please contact me and I’ll download them.

Scholastic Book Club – Issue 4 will be handed out to students today and orders will be due back at school by **Tuesday, 10th June.** I would appreciate it if students could please bring their orders straight to the Library office.

The Highly Commended entries for the National Simultaneous Storytime colouring competition were completed by: Lilly Weekes, Lily Matthews, Mercedes Oste & Henrietta Pottie.

Remember language is all around us. It may surprise you as to what your young child can already read.

**MENTAL MATHS STRATEGIES**

We teach children a range of different strategies to add and subtract numbers. By showing them several methods for solving maths questions, we’re helping them to look for patterns. All this builds a good sense of “number” which means they understand the relationships between different numbers and why different ways to add and subtract work well. The goal is that your child will understand many ways to approach a maths problem and will be able to choose a way that makes the most sense to them. School A to Z has a lot of resources, including help sheets on mental maths strategies, here: [www.bit.ly/JkiUeY](http://www.bit.ly/JkiUeY)

**STUDY HELP FOR HIGH SCHOOL**

It’s often quite difficult parents to assist their children with their high school homework and study. Even if we have professional experience in the subject area, children tend to find it difficult to take parental advice when it comes to school. (Don’t feel bad, teachers’ own children do exactly the same thing.) [www.khanacademy.org](http://www.khanacademy.org) is an excellent, not-for-profit website which may help your child study and revise tricky concepts in science, maths and the humanities.

**Free Community Education Seminar**

**Breaking down depression and building resilience**

About this presentation

‘Breaking down depression and building resilience’ is a 40-min presentation suitable for general audiences with, or without a mood disorder. This presentation will provide accurate information about what mental disorders (depression and bipolar disorders) are, their causes, known early warning signs, what to do and how to build personal resilience.

About the speaker

Rod Thompson is a volunter community presenter for the Black Dog Institute. Rod personally experienced the impact of depression in 2006. Since that time, Rod has dedicated his time to educating the community towards better understanding of depression and allowing the community to discuss openly about this tough condition.

Tuesday the 20th of May marked the annual Council Meeting where senior students from across Cabonne had their chance to front up to Council members and express their ideas and concerns regarding issues in their communities.

Canowindra High School, represented by vice captains Tim Middleton and Emily Price, showed gratitude for the improvements that had been provided to Canowindra over the past 12 months, including a bubbler at Morris Park and shelter at the skate park, both of which were suggested by students at last year’s event. They informed Council of the need for improvements at the local basketball courts, repair of footpaths, and advised that an upgrade is needed for the toilet facilities at the showground. They also reiterated the desire for community gym facilities, which has been expressed by both young and old in the past.

Yeoval Central School’s Courtney Cusack and Darby Tremain started by thanking Council for the shaded area that had been installed at the park and for the ongoing support provided for the local swimming pool. They moved on to address the lack of public transport, which is a challenge facing many small towns. They asked for Council to consider offering a community bus service, particularly during the holidays, that could travel to either Orange or Dubbo with pit stops in other towns to pick up other youths. In co-operation with their community service focus later in the year, they also asked for supplies to repair the seating at the oval, with students at the school to do the repairs. They also invited the other schools to a Blue Light Disco in Yeoval in the future.

Molong Central School vice captains Ellie Bryce and Liam Bridge spoke of improving the town not just for locals, but for visitors as well. They included suggestions such as resurfacing the tennis courts, installing lighting over Hunter Caldwell Oval, fencing at the hockey fields, upgrading and maintenance of the toilet facilities in Bank Street and Edward Street, and the improvement of change room and canteen facilities and the Doctor Ross Memorial Oval.

Cabonne Council would like to thank these students for attending and express their gratitude to Canowindra High School SRC Coordinator Mrs Hamilton, Yeoval Central School Principal Mrs Bliss and Molong Central School Principal Mrs Glasson for accompanying their students.
Youth of the Month

Darby Tremain, in Year 12 at Yeoval Central School, has been recognised as Cabonne Council’s Youth of the Month for May.

Within the school, Darby has been elected as School Captain and is a role model for her peers. She is highly academic, having been accelerated into Stage Six Agriculture, sitting the HSC for it early, and finishing in the top 3 of her cohorts. She represents the school in soccer, and often volunteers her time toward fundraising. She has also shown great initiative and leadership skills, having recently taken it upon herself to initiate and organise an anti-bullying session within the school.

Outside of school, Darby is the Age Champion in the Yeoval Swimming Club and has volunteered her time to help out at community events, including assisting with catering at the Little River Land Care’s ‘Black Tie Ball’.

Cabonne Council and the community would like to congratulate Darby on her achievements, and wish her all the best in her future endeavours.

If you know of a young achiever in Cabonne who has notable academic, sporting achievements, community involvement and leadership skills that you think is deserving of this award, view our website www.cabonne.nsw.gov.au for a nomination form (Community Services—Youth and Volunteer Services—Youth of the Month Nomination Form) or contact Cabonne Council for more information on 6392 3200.

What’s On in Cabonne

The Central West and Cabonne get a little quiet on the event front during the winter months, but Grenfell still has its annual Henry Lawson Festival on over the long weekend for all to enjoy! With poetry recitations, art competitions, car shows, live music, children’s rides and even a fun run there is something to see for everyone, from the creative souls and children to the rev heads and exercise buffs.
